17th March 2017

Easter celebrations

On Wednesday 5th April, we will be holding our Easter Service at 2pm at St. George's Church. You are more than welcome to come along and join us for this special service. It would be lovely to see many of you there. All the children will be involved in the service. The children will need to be collected from the church. The children will not need to bring book bags to school on this day. We also ask that the children bring their lunch in a carrier bag so they do not need to bring lunchboxes to the church. Thank you for your support with this.

We will be holding an Easter Bonnet/Hat parade and competition on Friday 7th April at 2.30pm. There will be Easter Egg prizes for the best bonnets/hats. If your child would like to take part, they should decorate/make a hat at home and bring it to school on the morning of Friday 7th April. The parade and judging will take place at 2.30pm, on the playground if the weather is dry. If you would like to come and watch, you are very welcome! The children will be able to bring their hats home at the end of the day.

Outdoor Project

We are thrilled, and incredibly fortunate, to have a team of staff from the Consortium coming in to school on Wednesday 19th April to work on improving and developing our school grounds and outdoor learning environment. We are hoping that on this day we can do some painting, begin making a bug hotel and a hedgehog house. As well as this we would also like to install some allotments. We would like to invite parents to come along to join in the fun and help develop our outdoor learning environment. We understand that childcare during the school holidays maybe difficult therefore children are more than welcome to come along and help too as long as they are supervised by the adult they come along with. To ensure the project is as successful as possible, we would be grateful of any donations of materials. The things we need are wood, pallets, bricks, tiles, straw and logs. If you are able to help or if you have anything materials that you are able to donate to the school, please contact the school office and I will be in touch. We appreciate any help you may be able to offer!

In this issue:

- *Easter*
- *Outdoor Project*
- *Thank you*
- *Uniform*
- *Class assemblies*
- *Well done*
- *Dates for your diary*

We hope to make a bug hotel like this!

May the God of Hope fill you with all the joy and peace as you trust in him, so you may overflow with hope by the power of the Holy Spirit.

Romans 15:13

Thank you

Thank you for your patience whilst waiting to hear news on the future leadership of St. George's. I appreciate this must be unsettling for the children, parents and all members of the school community. Please be assured that the leadership of St. George's is a high priority for ATOM and they are working to ensure a stable future for the leadership of St. George's. As soon as there are any further updates you will be informed.

I also wanted to inform you that I am expecting a baby. I appreciate that this raises further concerns regarding the future of the school. I want to reassure you that I will do everything that I can for the children and the school while I am at St George's.

Class Assemblies

Class assemblies have been organised for the following dates:

Duckling Class – 30th June 2.45pm

Swan Class – 31st March 2.45pm

Kingfisher Class – 26th May 2.45pm

We hope you will be able to join us and see what the children have been learning.

Well done to...

There has been a range of different learning happening across the school in the last few weeks. The children have also been enjoying using the new laptops that have been purchased with the support of ATOM.

Some children have been sent to me by their class teacher to share their amazing learning. These children are:

Frankie, Lola S, Jude, Isabelle, Maisie P, Evan, Nevaeh, George, Lottie, Joshua and Bee.

Well done to all the children who are continuing to show courage and hope in their learning and around school. I have really enjoyed hearing the children's hopes for others during our collective worship this term. The children have been thoughtful and reflective about their hopes for others.

Dates for your diary

Term 4

24th March – Comic Relief

4th April – World Down's Syndrome Day
