

Opportunity to represent your school in football in BANES and WILTSHIRE

19 March 2017

The Bath and Wiltshire School Sports Trust will be hosting sessions in May and June to determine the Under 9 – Under 13 squads to represent schools in BANES and Wiltshire in national and international competitions for the next academic year. The current squads have been hugely successful and we are offering opportunities for new players to experience the unique programme which is free to participants.

The sessions are for boys currently in years 3-7 who attend a school in BANES or Wiltshire (will next season be under 9, 10, 11, 12, 13) and require no contractual obligations or cost to the school or player. Indeed, the whole project is funded and we aim to work with schools and the BANES School Sport Partnership to support festivals, tournaments and other events for all pupils across a number of sports free of charge next year. Whilst the programme gives the children access to extra coaching, the main aim is to develop each individual in the Trust's 4 values: Responsibility, Resilience, Compassion and Curiosity. We undertake many non-footballing activities in order to achieve this aim.

In the last year we have:

- Completed 2 enrichment projects in Ghana, Africa
- Played in tournaments in Holland, Italy, Spain, Denmark, Sweden and Germany
- Hosted an international Premier League tournament in Bath, and Borussia Dortmund
- Participated in the Academy ED League Tour Series

A copy of the trial form is attached, but more details and further access to forms can be found by visiting www.bwb03.com or by contacting Sarah Harding on admin@bwb03.com

Many thanks for your time

T Kirk
