

Fun in the Sun is a fun activity programme, provided by Wiltshire Council's Sports Development team, aimed at delivering regular sports sessions for young people in rural locations across the county.

Sports delivered may change on a week by week basis but will include tag rugby, cricket, football, dodgeball, tennis, rounders, athletics and team activities.

Children must bring with them a completed consent form. These can be downloaded from the Wiltshire Council website, collected at school or collected at their first session of attendance. Places will be allocated on a first-come-first-served basis, and we suggest that children bring with them a hat, sun cream and a water bottle if it's sunny. In the event of wet weather we will endeavour to provide an indoor venue but this is not always possible so if rain is likely please encourage children to bring along a waterproof coat.
