St George's Primary School Newsletter

2<sup>nd</sup> May 2017

## Welcome Back

Welcome back to school after the Easter holidays. We have already had a busy start to the term!

As you are aware, Ofsted visited the school on Tuesday and Wednesday last week. We are unable to discuss the outcome of the inspection until the report is published and we will inform you when this is available. Please be assured that we continue to work hard on achieving the best for your children in the meantime.

## Thank you...

Thank you to members of staff at the Consortium for their help with making our school environment more inspiring for the children. They spent the day painting and clearing the Duckling Class outdoor area. In addition, they also donated a number of items to develop the learning of the children in the outdoors. We now have a Bug City and a bug magnifier. We also have the beginnings of a bug hotel and pallets ready for a mud kitchen! We would like to thank the members of staff from the consortium for their support and hard work, it is greatly appreciated by everyone at St. George's.

## Collective Worship

We have had two sets of visitors for our collective worship this week: Wessex Water followed up their assembly last term by visiting on Wednesday and we also welcomed Maranatha, who led a lively and reflective worship on trust.

---

### *In this issue:*

- *Welcome back*
  - *Thank you*
  - *Collective Worship*
  - *Well done*
  - *Dates for your diary*
- 

Our theme this term is...

## Respect

The children will look at how we show respect for creation, towards each other, and respect towards God.

## Well done to...

I have been delighted to see children sharing their work with me. They have been very proud of their achievements and the staff are very proud of them too. I have also seen a number of children for demonstrating our school values in a variety of ways. These children are:

Joshua, Neveah, George L, Maisie, Alfie, Savannah, Alfie S, Jenson, Carolina, Archie, Johnny, Evan, Jude, Lola B, Harriet, Emily, James, Joel, Tia D, Amber, Corey, Oliver and Alfie R.

Well done to these children. I have also seen the children demonstrating our school values around the school and in their learning. Well done to everyone!

## SATs Week

Next week our Year 6 children will be taking their end of Key Stage 2 assessments. We wish them all the best for next week and I am sure that they will do their very best. I am sure they will continue to make the staff and their families proud of their hard work and dedication.

<b>Monday 8 May</b>	<b>English reading test:</b> reading booklet and associated answer booklet.
