16th June 2017

Wiltshire's Big Pledge

To celebrate the IPC World Para Athletics Championships and the IAAF World Athletics Championships being held in London for the first time Wiltshire school are taking part in The Big Pledge.

This year, the Big Pledge is about completing set distances to collect the flags of the 30 countries who will be taking part in the Championships. Collect 10 countries for Bronze, collect 20 countries for Silver and all 30 countries to reach Gold and be entered in to a prize draw for your chance to win a Fitbit.

As a school we will be logging the children's activity and converting this into a distance travelled for the whole school. Every activity counts from gardening to marathons!

Friends of St George's

FOSG Treasurer

“The Friends of St. Georges School are in desperate need of someone to manage their finances. We have for some time now been unable to fill the treasurer post from the current committee so are now looking to the wider parent and local community. We are not looking for someone to join the committee / help organise and run events, but simply need someone with a reasonable head for figures who can manage our finances. This really only equates to a couple of trips to the bank a month with funds, reconciliation post event, payments etc, prep of floats and expenses for events, and prep of monthly committee summary - probably only a few hours a month plus extra pre- and post- events.

“It’s not even necessary to attend committee meetings - highlights and a summary of funds in advance is all we need. If you know of anyone who would be willing to help out the school please get in touch.”
