## Great Science Share!

On Tuesday 11<sup>th</sup> July Mrs Rees and Mrs Cullen took 12 children from Years 3, 4 and 5 to take part in the Melksham Science Share. We all had a great time, sharing practical sports science activities with children from the other Melksham schools as well as meeting with scientists from Bath, Bristol and Manchester universities. Look out for photos and interviews in the Melksham News and Wiltshire Times!

On Monday and Tuesday we have the delights of the African savannah in the form of the Kingfisher class show *The Lion King*. The children have worked really hard on this and look forward to welcoming an audience to both performances. A limited number of tickets are still available (priority Kingfisher Class relatives) so if you would like to order any please email Mrs Cresswell via [admin@st-georges-semington.wilts.sch.uk](mailto:admin@st-georges-semington.wilts.sch.uk)

It is excellent to encourage young readers to become familiar with the libraries and details about this year's challenge can be found at [animal-agents.org.uk](http://animal-agents.org.uk)

Information on lots of other summer activities in the local area can be found [here](#).
