

Our School Prayer

Dear God,

With compassion in our hearts, help us to show our school's values because,

in showing courage, we will be able to face our fears,

in showing friendship, we will bring happiness to others,

in showing honesty, we will always be trusted,

in showing respect, we will make people feel special,

in showing forgiveness, we will lighten our hearts, and

in showing kindness, others will do the same in return.

Let all our values shine through us today and evermore,

Amen
