

Newsletter December 2020

End of the Year

Welcome to the December Newsletter, the last of the year! We are introducing a new feature to our Newsletter. Each month members of the School Council will contribute, letting you know what their class have been up to. Swans class will start us off, as they have had a very interesting couple of weeks.....

Swans School Council

Hi, I'm Romilly. Hi I'm Gabe. We're School Council for Swans Class and we want to tell you what we have been up to. Unfortunately our class had to self-isolate but the good news was that we had our lessons on-line, which was good fun! Mrs O and Mrs Cooper were great. Our class topic is Ancient Egypt and we've enjoyed writing in hieroglyphics. Wif our class Elf is causing mischief! Merry Christmas from Gabe, and see you in the New Year from Romilly. xx

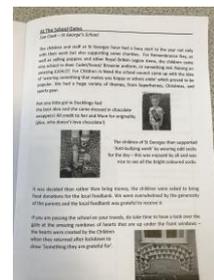

Wiltshire Virtual School Games – Santa Dash

Great fun today – joining thousands of schools across the nation for this event – running a mile around the field! Well done everyone.

Semington Parish Magazine

Congratulations to Molly King in Herons Class who won the picture competition for the cover of the Parish Magazine. Well done Molly! And thank you Mrs Cook for your contribution.

Class Dojo

We have got off to a great start. In the first week, 466 'stories' were shared on the app!! We can't wait to share more with you. If anyone is still having any problems setting this up, then please let us know. (Or get your child to show you!)

Fun activities

Active Trowbridge are running a number of after school clubs for Dance, Football and Multi-Sports. These are all paid activities, run at John of Gaunt School for children from the age of 4. To see what's available and for more information, check out www.activetrowbridge.co.uk/weekly-activities

And finally.....

This has been a strange and difficult year for everyone, and we've all had some massive adjustments to make, and get used to. Can we say thank you, for all your patience, support and willingness to work with us through the changes. While there is light at the end of the tunnel, we know we're not quite there yet! So, we hope you have a wonderful Christmas and New Year, and look forward to working with you all in 2021.
